**FEEL THE HISTORY**

In 1812, Orrin Granger, a pioneer from Granville, Massachusetts, built "The Tavern" on land that was purchased in 1806. That tavern, now known as "The Buxton Inn", has been operated continuously since that date in 1812. The architectural style was long and narrow – typical of early American times. The building had a Ballroom, a Stagecoach Court, a Dining Room... all the fixings demanded by society in 1812.

**Famous guests who have visited our Inn – just to name a few:**

President Abraham Lincoln – President William H. Harrison – President William McKinley – Harriet Beecher Stowe – Henry Ford – Yo-Yo Ma – Dixie Carter  
Cameron Diaz – Jennifer Garner - Hayden Christensen
